New Windsor Community Day celebrates its 10th anniversary

By Matt Veronesi and
Patrick Mangan

The saying that we hear from a lot of people is "New Windsor Community Day is not your average Community Day!" Our first Community Day took place on Saturday September 26th, 2009.

It was a successful event with 2,500 people attending. We had 30 vendors including two food vendors, a couple of bounce houses, one band playing live music that performed on the back of a flatbed tow truck where the drummer actually tumbled off the back of. Luckily he was not hurt. We finished the night with fireworks and everyone had a great time.

We were very happy with the first event but decided that day that we wanted to grow it and make it better

Eric Colotti (l.) has his face painted by Laugh-A-Lot the Clown Saturday at the first New Windsor Community Day 2009.

every year. We had many new different attractions over the years to keep the growth happening such as professional wrestling, two live entertainment stages, a zip line, a stunt jump, a mechanical bull, an arcade trailer, a remote control race car track, a petting zoo, pony rides, a tethered hot air balloon ride, singers from popular TV shows such as American Idol (Tim Urban), X-Factor (Nick Dean) and the Voice (Caitlin Caporale), a carousel, a mechanical swings ride, a climbing wall, tons of bounce houses, the Tumblebus, big slides, a magician, a clown, a juggler, super heroes and princesses, helicopter rides, parachute jumpers, a chance to win a new car, pie eating and cannoli eating contests, and a bigger and better fireworks show

Dear Community Members,

St. Luke's Cornwall Hospital (SLCH), a proud member of the Montefiore Health System (MHS), is dedicated to meeting the healthcare needs of the communities we serve. With more than 250,000 patients per year, we are honored you choose us to provide your care.

As SLCH continues its healthcare journey, including the transformation of healthcare delivery and its integration with the MHS, we understand our responsibility to keep our community updated on evolving services, both existing and new, to better meet your healthcare needs. With our 24/7 Hospital, Emergency Department and Level III Trauma Center located at 70 Dubois Street in Newburgh, NY, our Outpatient Center located on our Cornwall, NY campus at 19 Laurel Avenue, Centers for Physical Therapy and Sleep Medicine in Fishkill, NY, as well as two outpatient lab centers in Newburgh and New Windsor, we are able to serve our community with the breadth of services needed to provide state of the art care close to home.

The St. Luke's Cornwall Medical Group, including founding members Dr. Nicholas Bambino and Dr. James DiLorenzo, offers wide-ranging services in both Newburgh and Cornwall. Recently recognized by the National Committee for Quality Assurance as a Level 3 Patient Centered Medical Home (PCMH) for its dedication to providing a commitment to quality improvement within the practice and a patient-centered approach to care that results in patients that are happier and healthier, the group offers primary care, gastroenterology services, plastic and reconstructive surgery, as well as hospice and palliative medicine.

SLCH's Cornwall Outpatient Center has extensive services including Physical, Occupational and Speech Therapy, Cardiac and Pulmonary Rehabilitation, and a Balance Center, all through a partnership with Burke Rehabilitation Hospital, also a member of the MHS. The Cornwall campus also houses the Littman Cancer Center and Infusion Suite, Pain Management, Center for Sleep Medicine, and Center for Wound Care and Hyperbaric Medicine. Enhancements coming soon to the outpatient center include Dialysis and a newly renovated Center for Rehabilitation.

SLCH's Newburgh campus provides unparalleled acute hospital care services including a Level III Trauma Center and Emergency Department, and a Cardiac Catheterization Lab. Our inpatient facility also includes an Intensive Care Unit. In addition, this campus provides high quality surgical services such as Total Joint Replacement and Orthopedic Surgery, Metabolic and Bariatric Surgery, Neurosurgery, Men's Health and Urological Surgery, Oncologic Surgery, along with Thoracic Surgery, Ear, Nose and Throat, and much more. General surgery at SLCH is among the top 10% in the nation—as recognized by Healthgrades, the leading online resource for comprehensive information about physicians and hospitals.

As healthcare delivery advances into a population health focused model, we have undergone, and will continue to undergo, transformation to meet your needs. SLCH will be providing monthly updates on not only existing services, but also new additions to the scope of care we provide. We remain committed to evolving with the healthcare needs of our community.

every year.

Last year New Windsor Community Day took place on Saturday August 26th. We had over 40,000 people attend during the day which was an all-time record crowd. We had 200 vendors, 25 food vendors, a beer and wine tent, and amazing attractions. Some of the exciting new attractions last year were the Orphaned Wildlife "Bear Country" Exhibit where Community Day Patrons had the chance to walk through a big tractor trailer where they could get up close to watch live bears. It was a major hit with everyone loving it, and we had people come from as far away as Maine to see the bears. We also added the Kyle Busch M&M NASCAR where patrons could sit in and see under the hood of

the championship car.

Other new attractions were an Inflatable Laser Tag Arena, an inflatable Miniature Golf Course, and on stage 1 we had up can coming young musician Shelton Taylor perform coming all the way from Texas. Shelton has a large social media following and his matinee good looks had all the young girls swooning when he was on stage and after in the meet and greet!

This year is the tenth anniversary of New Windsor Community Day and we have worked all year on making this the best event yet. We have added a bunch of new attractions including Inflatable Escape Rooms, the Monkey Motion Bungee Pods, the Mechanical Meltdown Inflatable Attraction, new children's friendly shows on

Good Guys with big families!

It must be a Texas thing

By Matt Veronesi and
Patrick Mangan

Once again on Stage 1 this year we will have two performers coming all the way from the great State of Texas!

Twenty-nine year-old Tim Urban will once again be our Master of Ceremonies on all day at Community Day and will perform two different times during the event as well. The other performer from the Lone Star State is heartthrob Shelton Taylor, 18, who returns for the second consecutive year. Besides being incredible singers another thing they have in common is that they both come from big Texas families.

Tim Urban was born on May 1st 1989 to his parents David and Doris. Tim is one of ten children growing up in Duncanville Texas. He always tells

the story has his family only had on bathroom that they shared and they would have to have scheduled times for everyone to use the shower. Tim was on Season 9 of American Idol, in which he finished seventh out of 100,000 people who auditioned that year.

That was Simon Cowell's last season on the show and he was particularly hard on Tim. But Tim never ever let the criticism get him down, and his infectious smile went on to win the hearts of the judges. Ellen Degeneres was so moved by one performance that she ran on stage and gave Tim a big hug.

We first met Tim when we booked him to perform in our Summer Concert Series in 2011 which was the summer after he was on American Idol. Tim was living in Los Angeles California at the time pursuing his singing and acting

career. We hit it off right away and he has been coming back to New Windsor every year to perform since. Tim Urban is one of the nicest most genuine people you will ever meet. And though he has been on television with millions of people watching him you would never know it by talking to him. We know that a lot of that is because of his amazing mother and father, and all of his brothers and sisters. Tim who his living back in his home state of Texas and is married to a wonderful woman named Kate and has two beautiful daughters Bella (3) and Nora (2), all who have made the trip to NY this year for New Windsor Community Day.

Shelton Taylor was born on March 5th, 2000 to parents Robert and Alyssa.

Shelton is one of 8 children having three brothers and four sisters. He was

- Family owned and operated for 35 years

*The New Windsor Country Inn for adults
has been serving seniors in the
Hudson River Valley since 1983*

Shelton Taylor

Tim Urban

born and raised in Bulverde, Texas, and his music career up to this point has taken him throughout the country over the past two years. As his fan base has grown to well beyond 100,000 followers, he has had the opportunity to sing and play shows all over the country;

including singing the National Anthem at the Staples Center in Los Angeles for both the LA Clippers and the Los Angeles Lakers professional basketball teams. He has also performed during the NBA Playoffs for both the San Antonio Spurs and the Utah Jazz on their home courts,

as well as at Major League Baseball and Professional Soccer games.

We first met Shelton last year when we booked him to perform at New Windsor Community Day. He did an amazing job performing on stage and was wonderful signing autographs and taking pictures with everyone when his performance was over. We have stayed in touch with him since Community Day and are thrilled to have him come back again this year. Shelton like Tim Urban has an amazing mother and father, and extremely talented brothers and sisters who all have some artistic talents whether it be singing, dancing, photography etc.

So whether it is the small town Texas family values or just the fact that we have been extremely blessed with two amazing performers who have come to New Windsor for New Windsor Community Day, who both are great people as well. Thank you to Tim Urban and Shelton Taylor's parents who have done an amazing job raising their sons. You can see Tim Urban and Shelton Taylor on Stage One at New Windsor Community Day!

stage 2, and a whole lot more. Who knows maybe we will have 50,000 people attend this year!

The best part of New Windsor Community Day is that a family can go to the event and not have to spend any money and have an amazing fun filled family day together. There is free parking, free admission, and all of the attractions are completely free except for helicopter rides. We are able to do all of this because of the amazing sponsors that we have. The Premiere (\$5,000) sponsors of New Windsor Community Day are Feldman, Kleidman, Coffey, Sappe, & Regenbaum LLP, Knox Village Apartments, Morehead Honda, McGoey,

Hauser, & Edsall Consulting Engineers, Parties and Tools By Durants, and Gentech LTD. The Headline (\$3,500) Sponsors are ShopRite, and United Rentals, and we have a host of other sponsors at the Platinum (\$2,000), Gold (\$1,000), Silver (\$500) and Bronze (\$250) levels.

After the event is said and done all Community Day proceeds that are left go right back into Community Events such as the Nancy Pullar Summer Concert Series, the Memorial Day Parade, extra entertainment that we bring in for our Summer Camp Programs, the Halloween Party, Christmas Tree Lighting, Menorah Lighting, Easter Egg Hunt, and other events throughout the year.

We look forward to everyone coming out this year for the
