ANGRY ORCHARD SERVING ALL DAY

(Rain Date Sept. 30)

WELCOME TO WALDEN'S 32ND ANNUAL

Harvest FEST

BY TARA BLISS

This year marks the 2nd year that Walden's Annual Harvest Fest is being held in the picturesque Bradley Park.

Not only is Bradley Park more convenient for residents and vendors, it also offers more space for 2 stages to feature many events and still have live entertainment throughout the day as well as more delineated areas such as an area for Angry Orchard to provide wine and beer to those attendees 21 and older, local artists to be featured, and a specific children's area to include activities, jumpy houses, and a petting zoo.

Although the venue may be relatively new, this year marks our 32nd annual event!

Donut Eating Contest takes place at 3 p.m.

Walden's Harvest Fest began in 1986 as a simple harvest celebration; now thousands of visitors and over 150 vendors attend the one-day event, even traveling from neighboring states to experience the extraordinary variety of Walden's culture and entertainment. The festival itself is hosted by the Village of Walden Recreation & Parks Department and the Walden Community Council volunteer Harvest Fest Committee and is a full day of action-packed events! The Harvest Fest proceeds are used by the Walden Community Council to support community events and other local non-profit organizations throughout the year.

Admission to Harvest Fest is always FREE!

Despite the changes, rest assured that the same annual traditions of the Free Family Dance at Wooster Grove on Friday night, the Little Miss Walden Competition, the Baking Competition, and the classic Pie Eating contest (now Donut Eating contest) still entertain visitors. This is in addition to the traditional raffles, vendors, food and beverages for the whole family all day long and will even be topped off with an outstanding fireworks display at the end of the event!

As always, events of this magnitude could not happen without the hard work

and dedication of so many individuals and organizations that make the Walden community tick. We could not be more grateful for the combined efforts of the Village of Walden Recreation & Parks Department staff and the volunteers and committee members of the Walden Community Council. Special thanks to our generous sponsors as well as Mobile Life, the Village of Walden Department of Public Works, and the Walden Police Department.

We hope you enjoy the day and we look forward to next year's event! Mark your calendar now for our 33rd Harvest Fest to be held on Saturday, September 28, 2019!

Brewin' in the 'Apple Belt'

Angry Orchard continue the traditions of Walden's farmland

In Fall 2015, Angry Orchard established its home in Walden, New York to expand its experimentation in the heart of the Hudson Valley, also known as the 'Apple Belt' of New York State. Since planting their roots, Angry Orchard has been on the fast-track with crafting new cider styles using high-quality ingredients, several apple varieties and a number of cider making techniques.

But there is much that goes on at the Cider House than small batch experimentation. With so much to offer, Angry Orchard has become a destination for locals and visitors alike. Guests can take part in a number of tours guided by knowledgeable cider ambassadors in the famous tree house, created by Animal Planet's Tree House Masters or in the cozy Cider Garden, one of the newest additions to the orchard. Visitors can learn more about the history and heritage of cider making and taste new, old and limited-release styles in the tasting room. There is no shortage of fun and experiential happenings at the orchard, as there is always something going on. From food trucks, farmer's markets and

seasonal cider pairing dinners, to fundraisers, live music and festivals, there is something for everyone at Angry Orchard.

With the recent resurgence and newfound interest in one of the country's oldest and most popular beverages,

Angry Orchard is excited and passionate about sharing the history and heritage of cider making with cider enthusiasts and first-time drinkers alike.

Little Miss Walden... Passing of the Torch

Smalling School of the Arts, under the direction of Janice Smalling, has been a staple business in the Village of Walden for over 38 years. It still is. 'Miss Janice' has over 40 years of experience teaching a variety of disciplines, providing high quality dance and voice training in a nurturing and positive atmosphere where children of all ages can grow and learn. Her beginner, intermediate, and advanced dance classes are built on the foundation of the classic teachings of ballet, tap, and jazz instructions. Her classes are not limited to children; many

2013

2014

adults have gained a feeling of accomplishment after signing up for one (or two!) of her classes. Janice's husband, Joe Smalling, is a classically trained vocalist and offers lessons in voice.

Miss Janice has been recognized by the Dance Educators of America, Dance Masters of America, and the American Academy of Ballet. Through the years, her students have entered many advanced competitions in New

York City, bringing home trophies that they can be proud of.

Organizer Janice Smalling receives flowers in 2016 from Mary Ann Landolina of the Walden Community Council.

York City, bringing home trophies that they can be proud of.

For the past 31 years, Miss Janice has been involved with the Little Miss Walden annual competition. Her passion for this particular contest grew out of a friendship with another community minded Walden resident, Mrs. Eckert. Janice's obligation throughout the years brought together many other volunteers, including MaryAnn Landolina and June

2015

2013

Garcia, to continue the tradition of highlighting local talent and instilling in the very young a sense of pride and achievement. The Walden Community Council wishes to express our sincerest thanks to Miss Janice and the Smalling School of the Arts for the more than 3 decades of hard work, dedication, and service to the Walden community.

This year's competition will of course have all the same traditional values of the past with a new flare as the torch has been passed from Miss Janice and the Smalling School of the Arts to Pamela Murphy and the Hudson Valley Conservatory. You won't want to miss the 32nd Little Miss Walden competition which will be held on Stage 2 beginning at approximately 11:30am (or the New Rose Theatre in the event of inclement weather).
