Leprechauns are the reason you should be wearing green

Did you know the reason for wearing green on St. Patrick's Day is due to leprechauns? According to Irish folklore, leprechauns always wore green, and anyone else wearing green would be invisible to leprechauns. Leprechauns are ornery sorts who like to pinch anyone they can see. Therefore, by wearing green clothing, a person is sure to avoid a painful tweak. It's not only the leprechauns who might do the pinching. Celebrants are inclined to pinch people who don't wear green as a reminder that leprechauns might sneak up on them at any time.
