Quality Service Center has been located in Montgomery since 1982. Bob Reynolds Sr. and his employees work diligently to provide the best service for your auto and truck needs for more than 30 years. According to one Quality Service Center customer, “They have the best technicians under one roof!” In fact, Quality Service sent out a survey to gather additional feedback from their customers. They received glowing reviews from customers saying that they were pleased with the “extraordinary service,” “knowledgeable technicians,” and “the integrity of the staff” among many other things. Manager Bob Reynolds Sr. invites current as well as prospective customers to stop by for a visit and read through the positive feedback that is prominently displayed in a large binder sitting on the front counter. He is very thankful for all of his customers and everyone who took the time to participate in the survey.

Quality Service Center offers a wide array of services for vehicles including basic oil changes, vehicle maintenance inspection, fuel and air induction cleanup, power steering service, transmission service, A/C maintenance, brake fluid service, tires and alignments and 4x4 driveline service. In addition to the services offered in Montgomery, Quality Auto Body also prides themselves on their Collision Repair Shop which has been located in Vails Gate since 1942. They are proud to be celebrating over 70 years in service. “Working here,” said Reynolds Sr., “we all get satisfaction from helping people, solving problems and fixing cars safely and correctly.”

This family-owned automotive shop also plays a vital part in the local community. “We love the community here,” said Reynolds. Quality Service Center sponsors Little League teams in Montgomery and Maybrook, promotes Valley Central’s All-Night Grad party, Mock DWI Assembly, supports the high school’s musical and many other school programs. They also support the local fire departments. In fact, Reynolds himself and tech, Brad Kaufmann, have given their time to the community through his service as a volunteer firefighter in Montgomery. He and Brad Kaufmann are both past Montgomery Fire Department Chiefs.

Quality Service Center prides themselves on their dedicated service. “Quality is never an accident; it is always the result of high intention, sincere effort, and skillful execution. It represents the wise choice of many alternatives.” -Will A. Foster.

Town of Montgomery Dial-A-Bus

Dial-A-Bus is a service that is open-to-the-public where you are required to call ahead of time to reserve a ride on the bus. You must call at least 24 hours in advance but typically you need to call further ahead because the service is on a first-come, first-served basis and the schedule can fill up quickly. Please be aware that this is not like a taxi service, where you are picked up at your door at whatever time you have arranged with the cab company. With Dial-A-Bus, the many requests for rides are accommodated as best as possible and riders are picked up and dropped off at the curb (curb-to-curb service). The schedule changes daily and specific pick up and drop off times cannot be guaranteed. Please allow extra travel time, as other passengers will likely be picked up or dropped off during your trip.

Dial-A-Bus service is available in the Town of Montgomery including the Villages of Maybrook, Montgomery, Walden and in the Town of Crawford, including the communities of Pine Bush, Bullville, Thompson Ridge and Searsville. This type of service is open-to-the-public and is curb-to-curb, meaning that passengers are picked up and dropped off at the curb (not taken door-to-door). Reservations are required at least 24 hours in advance. When you make your reservation, please specify where you would like to be picked up, your exact destination, and what time you would like to make the trip. The scheduler will accommodate you the best that they can. Buses are also wheelchair lift-equipped. Contact the Transportation Office for details about our service area and accommodations.

Services are provided Monday thru Friday. Hours of operation: 7:30 a.m. to 4 p.m. Reservations accepted Monday thru Friday 9 a.m. to 12 p.m. Regular Fare: \$1.00 one-way

- Children under 10 ride free when accompanied by an adult
- Senior/disabled citizens and medicare cardholders: 50¢ one-way.
